

Day 1 - November 12 (Thu)

Place	3F	1F					2F							1F	2F		
Time	Room 13 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208		
07:30-08:30	Registration																
08:30-10:00		PG Course 1 Liver From Detection to Resolution: A Comprehensive Guide to Post-Transplant Vascular Complications	PG Course 2 Basic Emerging Paradigms of Tissue-Resident Immunity in Transplantation	PG Course 3 Laboratory Back to the Basics: Pre-Transplant HLA Antibody Assays	PG Course 4 Pathology Practical Update in SOT Pathology	PG Course 5 Xenotransplantation Latest Updates in Xenotransplantation			PG Course 6 Kidney/Pancreas Surgical Techniques and Complication Management in Kidney Transplantation (Video-Based)								
10:00-10:30	Coffee Break ('30)																
10:30-12:00		PG Course 7 Liver Post-Transplant Nightmares: How to Rescue the Graft and the Patient	PG Course 8 Basic Emerging Technologies in Transplant Immunology	Policy Forum Building a National DCD Framework in Korea: Perspectives from Neurosurgery, Critical Care, Ethics, and Transplantation	PG Course 9 Infection Vaccination in the Pre- and Post-Transplant Periods: 2026 Update	PG Course 10 Organ Recovery Multi-Organ Recovery: Essentials for Successful Deceased Donor Transplantation			PG Course 11 Kidney/Pancreas Genetic Testing and Genetic Disease in Kidney Transplantation								
12:00-13:00	Luncheon Symposium 4	Luncheon Symposium 1			Luncheon Symposium 2				Luncheon Symposium 3			Asian Multinational Study Program 1	Asian Multinational Study Program 2			E-Poster Exhibition	Preview Room
13:00-13:30	Opening Ceremony																
13:30-14:00	Special Lecture 1																
14:00-14:30	Coffee Break ('30)																
14:30-16:00		Oral Presentation 1 Liver	Concurrent Symposium 1 Basic Advances in Gene Editing for Organ Transplantation: From Bench to Bedside		Oral Presentation 2 Kidney/Pancreas	GTW (Go Together With) Symposium (Malaysia) Advancing Transplantation in Emerging Settings: Overcoming System, Immunologic, and Infectious Challenges			Oral Presentation 3 Kidney/Pancreas	기자간담회 15:00-16:00							
16:00-19:00	KST Busan Tour Program																

Day 2 (November 13, Fri)

Place	3F	1F					2F							1F	2F	
Time	Room 13 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208	
08:00-09:30		Oral Presentation 4 Liver	Oral Presentation 5 Basic	Oral Presentation 6 Lung	Asian Collaboration Symposium	KOTRY- AI Multimodal Approach in Organ Transplantation	TSS Opening Ceremony		Oral Presentation 7 Kidney/Pancreas	Oral Presentation 8 Xenotransplantation		Mentor-Mentee Program 1	Mentor-Mentee Program 2	E-Poster Exhibition	Preview Room	
09:30-10:00	Coffee Break ('30)															
10:00-10:30	Special Lecture 2															
10:30-11:00	Keynote Lecture 1															
11:00-11:30	Living Legend Session															
11:30-12:00	General Assembly															
12:00-13:00	Luncheon Symposium 8	Luncheon Symposium 5			Luncheon Symposium 6			Luncheon Symposium 7				Meet the Professor 1 (Xenotransplantation)	Meet the Professor 2 (Laboratory)			
13:00-14:00	Plenary Session 1															
14:00-14:20	Coffee Break ('20)															
14:20-15:50		Concurrent Symposium 2 Liver AI in Liver Transplantation	Concurrent Symposium 3 Infection Outpatient Antimicrobial Therapy in Transplantation: Expanding Boundaries Beyond Hospital	Concurrent Symposium 4 Lung Novel Therapy of CLAD	KST-ESOT Joint Symposium Transplanting the Highly Sensitised Patient: Only Through Multidisciplinary Innovation		TSS Concurrent Symposium 1 (Machine Perfusion) Machine Perfusion: Present Realities and Future Promises	TSS Concurrent Symposium 2 (Laboratory) Clinical Updates and Innovative Strategies in HLA/ABO-Incompatible Transplantation	Concurrent Symposium 5 Kidney/Pancreas Kidney Transplantation in Elderly and Frailty Issue in Transplantation	Concurrent Symposium 6 Xenotransplantation Will Infection Become a Major Obstacle to Xenotransplantation?	Vitallink Symposium 1 Transplantation in Asia: Achieving Self-Sufficiency in Organ Transplantation	Asian Multinational Study Program 3				Asian Multinational Study Program 4
15:50-16:20	Coffee Break ('30) & Mini-oral Presentation															
16:20-17:50		Concurrent Symposium 7 Liver Navigating Frailty for Optimal Liver Transplant Outcomes		Concurrent Symposium 8 Lung Understanding Each Other: Asian Lung Transplant Networking	KST-TST (Thailand) Joint Symposium Infection Prophylaxis in Transplantation	Women In Transplantation Gender Disparity in Asia	TSS Concurrent Symposium 3 (Kidney) Stem Cells and Regenerative Medicine	TSS Concurrent Symposium 4 (Liver) Navigating Immunological Challenges: From Alloreactivity to Graft Survival	Concurrent Symposium 9 Kidney/Pancreas ABMR and MVI – From Pathophysiology to Diagnosis	Concurrent Symposium 10 Xenotransplantation Multifaceted Strategies to Optimize Outcomes in Xenotransplantation	Vitallink Symposium 2 Overcoming Barriers to Deceased Organ Donation in Asia: A System-Based Approach					
17:50-18:30																
18:30-21:00	Gala dinner															

Day 3 (November 14, Sat)

Place	3F	1F					2F							1F	2F	
Time	Room 13 301	Room 1 101-102	Room 2 103	Room 3 104-105	Room 4 106-107	Room 5 108	Room 6 201	Room 7 202	Room 8 205	Room 9 203	Room 10 204	Room 11 206	Room 12 207	E-Poster Zone 109-110	Preview Room 208	
08:30-10:00		KOR Concurrent Symposium 11 Brain Death Determination Rethinking Brain Death Determination for Organ Donation in the Era of Organ Shortage: Global Standards and Future Directions	Concurrent Symposium 12 Heart Rethinking Cardiac Allograft Vasculopathy	Concurrent Symposium 13 Transplantation in Robotic Surgery Era		ASTREG Joint Symposium Database and Registry	TSS Concurrent Symposium 5 (Laboratory) New Horizons in Transplant Diagnostics: From Microbiome to Organ-on-a-Chip	TSS Concurrent Symposium 6 (Liver) Next-Generation Biology of Liver Transplantation	Concurrent Symposium 14 Kidney/Pancreas New Therapies in Kidney Transplantation	Concurrent Symposium 15 Xenotransplantation How Do Histopathological Findings in Xenotransplantation Differ from Those in Allotransplantation?	KOR Concurrent Symposium 16 Coordinator Transplant Coordinator Beginner Course	Mentor-Mentee Program 3	Mentor-Mentee Program 4			
10:00-10:30	Coffee Break ('30) & Mini-oral Presentation															
10:30-12:00		Concurrent Symposium 17 Liver Video Session: How to Restore Portal Flow: Case-Based Surgical Decision-Making in Difficult Liver Transplantation	Concurrent Symposium 18 Heart Optimizing Donor Utilization in Heart Transplantation	Lung Workshop (Video Session)	KJTF 1 How to Improve Deceased Donor Transplantation Using Modern Technologies	KOTRY Joint Symposium Linking KOTRY with External Big Data	TSS Concurrent Symposium 7 (Kidney) Foundation Models and Clinical Intelligence in Transplantation	TSS Concurrent Symposium 8 (Kidney) Kidney Paired Donation for Highly Sensitized Patients: European Experience and Practical Challenges in Asia	Concurrent Symposium 19 Laboratory/Pathology Precision Immunology in Kidney Transplantation: Navigating on Non-HLA Antibodies	Concurrent Symposium 20 Xenotransplantation How Can Asian Countries Foster Legal and Social Acceptance of Xenotransplantation?	KOR Concurrent Symposium 21 Coordinator Practical Approaches to Organ Donation and Transplant Coordination: Improving Utilization	Vitallink Workshop 1				
12:00-13:00	Luncheon Symposium 12	Luncheon Symposium 9			Luncheon Symposium 10				Luncheon Symposium 11			Meet the Professor 3 (Lung)	Meet the Professor 4 (Liver)			
13:00-13:30	State-of-the-Art Lecture													E-Poster Exhibition	Preview Room	
13:30-14:00	Keynote Lecture 2															
14:00-15:00	Plenary Session 2															
15:00-15:20	Coffee Break ('20)															
15:20-16:50		Concurrent Symposium 22 Liver Clinical Uncertainties in LDLT for Down-Staged HCC	Oral Presentation 9 Donation	Concurrent Symposium 23 Laboratory HLA Immunogenicity and Eplet Analysis	KJTF 2 Transplantation in Super-Aging Society	KOTRY-Omics Omics approach in Korean Organ Transplantation Registry	TSS Concurrent Symposium 9 (Lung) AI Tools in Transplantation	TSS Concurrent Symposium 10 (Heart) Translational Frontiers in Heart Transplantation	Concurrent Symposium 24 Kidney/Pancreas Infections in Kidney Transplantation: Challenges and New Strategies	Concurrent Symposium 25 Xenotransplantation How Do Clinical Translation Strategies for Xenotransplantation Differ Among Asian Nations?	KOR Oral Presentation 10 Coordinator	Vitallink Workshop 2				
16:50-17:50		Oral Presentation 11 Liver	Oral Presentation 12 Heart	Oral Presentation 13 Lung		Vanguard Award Session	TSS Oral Presentation 1	TSS Oral Presentation 2	Oral Presentation 14 Kidney/Pancreas	Oral Presentation 15 Xenotransplantation						
17:50-18:20	Award Ceremony & Closing
