

Curriculum Vitae of Shang-Feng Tsai, MD, PhD

- Name: Shang-Feng Tsai, MD, PhD
- Gender: male
- Date of birth: March 24, 1980
- Place of birth: Taichung, Taiwan
- Citizenship: Taiwan
- Office address:

Division of Nephrology, Department of Internal Medicine

Taichung Veterans General Hospital

No. 1650 Taiwan Boulevard Sect. 4, Taichung, Taiwan 40705, ROC

Telephone: +886-4-23592525 ext 3034

E-mail: s881056@gmail.com

- Education:

1999-2006 M.D., National Yang-Ming Medical University

2016.12: PhD of life science, Tung-Hai university

- Training course
- Internship: 2005-2006 Kaohsiung Veterans General Hospital
- Residentsip:2006-2009 Department of Internal Medicine, Taichung Veterans General Hospital
- Fellowship:2009/08-2012/02 Division of Nephrology, Taichung Veterans General Hospital
- Visiting staff:2012/03-until now Division of Nephrology, Taichung Veterans General Hospital
- Associate professor, Department of Post-Baccalaureate Medicine, College of Medicine, National Chung Hsing University.

Dr. Shang Feng Tsai obtained his degree of medicine from the National Yang-Ming University in 2006. He completed residency training in internal medicine and did his nephrology fellowship at the Taichung Veteran General Hospital. Dr. Tsai joins the faculty in internal medicine and nephrology at the Taichung Veteran General Hospital since and have clinical practice in outpatient and inpatient in both nephrology and internal medicine. He is a member of the Taiwan Society of Nephrology as well as the Taiwan Society of Internal Medicine. He obtained the Ph.D degree in the department of life science in 2016. His interests of research are renal transplantation, chronic kidney disease and diabetic kidney disease. He already published 55 articles as 1st or correspondent authors. Now, he is a nephrologist in Taichung Veterans General Hospital and an associate professor in National Chung Hsing University.
